Hi All -

The following posters in our computer system – will take several emails to attach due to size of files:

- Ugashik Renewable Energy (prepared by Hattie Albecker/Ugashik)
- Open Burning...Learn Before You Burn (prepared by Peter Gumlickpuk/New Stuyahok)
- 10 Years of Dedication, Collaboration, Networking, and Community Participation (prepared by Lorraine King/Ekwok)
- Aleknagik Environmental Program (prepared Daniel Chythlook/Aleknagik)
- Tribal Environmental Programs in Bristol Bay (prepared by Sue/BBNA)
- BBNA Environmental Program (prepared by Sue/BBNA)
- Nushagak Mulchatna Watershed Council (prepared by Sue/BBNA)
- NRCS-NMWC Soil Survey Project (prepared by Sue/BBNA)
- Iliamna Seals Project (prepared by Courtenay Gomez/BBNA)
- Invasive Plant Species (prepared by Jennifer Robinette/AACD-BBNA)
- Transportation and Brownfields (prepared by Arla Johnson/BBNA)

I've contacted the campus and they will send pdfs of posters they brought to the potluck. Most folks, including Tami/EPA, previously received via email the map of the mining claims (prepared by TNC).

Sue

Good Morning, All,

What a great "get together" we had with the EPA representatives yesterday. Thanks to all for its' success!

Tami Fordham requested that we provide her with the power point presentations and posters displayed. I have included her email address in the "cc" above.

Kim Williams was going to forward Tami the power point presentations; do you have all of them, Kim? (BBC Todd Radenbaugh, Nunamta Kim Williams, BBNA EPA/IGAP Sue Flensburg, Rick Halford, City of Dillingham Planning Department Jody Seitz) If you would get back to me with any power points you do not have, we will attempt to get them.

Sue, can you please get all of the posters you, staff, and the Bristol Bay Campus assisted with to Tami?

Billy and Christopher, please send the Curyung Tribal Council posters displayed.

Thanks again, all!
